

Certificate Of Conformance

This is to certify that the Quality Management System of:

Rickard Specialty Metals & Engineering

8308 Sorenson Avenue
Santa Fe Springs CA
90670
United States

has been assessed by ABS Quality Evaluations, Inc., and found to be in conformance with the requirements set forth by:

AS9100:2016 (techn. equiv. to EN9100:2018 & JISQ9100:2016) & ISO9001:2015

The Quality Management System is applicable to:

The procurement of wrought and forged metal raw material and the procurement of the necessary secondary processing, packaging and shipment to the customer of such material; all in accordance with customer-defined specifications

The Certification has been assessed to and approved in accordance with the requirements of AS9104/1:2012 by ABS QE, an accredited Aerospace Registration Management Program Certification Body, under the ICOP scheme.
